Raising Money for Solar Panels:

Dear Friends and Patrons,

HELP US KEEP \$62,000 IN OUR COMMUNITY!

Our libraries were fortunate enough to receive a construction grant of \$62,697, before New York State virtually shut down because of Covid-19. This construction grant is contingent on us contributing 25% of the cost of the project. Our project consists of an \$83,596 **Solar Electric Panel Installation, High Efficiency AC/Heat Pump System, and Signage.**

To make a charitable and tax deductible donation you may mail in a check made out to Mary E. Seymour Memorial Free Library or Cassadaga Branch Library (addresses for libraries are on the other side of newsletter under Contact Us). To donate online you may click the **DONATE** button at the bottom of our website: www.stocktonlibraries.org or visit our GoFundMe page to keep up with the project, the link is available on our website and Facebook Page: Stockton & Cassadaga Libraries.
